

**ZERO** EXCLUSION  
CARBON  
POVERTY

LET'S BUILD  
TOGETHER A  
**3ZERO WORLD**

3 ZERO HOUSE LANKA  
EDITION 2023

acted

acted launched the **3Zero World vision (Zero carbon, Zero poverty and Zero exclusion)** in 2019 to promote new approaches to address contemporary global challenges, reshape the way individuals develop businesses and communities live, and enhance synergies between stakeholders to reach the Global Sustainable goals by 2030.

**French NGO** founded in 1993 to provide humanitarian relief to vulnerable communities. Today, globally we have:

- 6 500 staff worldwide,
- 600 projects in more than 40 countries,
- Half-billion euros budget per year.

Present in Sri Lanka since 2005, our main activities are on disaster relief and rehabilitation, civil society capacity building and facilitating inclusive socio-economic development projects.

In **17 years in Sri Lanka**, we have:

- 5 000 families supported in disasters and crises,
- 44 community-based infrastructures built and rehabilitated,
- 18 500 people assisted with cash transfers,
- 320 MSMEs and individuals supported with generating income.

To meet our global objective, the **3Zero House** was designed to accelerate the innovations of local actors by working with the most marginalized communities around the world and, providing opportunities to empower agents of change, connecting them with resources and networks; allowing them to identify and promote grassroots solutions that deliver positive global impact.

## 10-WEEK ENTREPRENEURSHIP PROGRAM FROM NOVEMBER 2023 to JANUARY 2024

### The LANKATHON 2-DAYS BOOTCAMP

30 young people selected to ideate innovative business idea on circular economy in Sri Lanka based on the registration form.

### The PRE-INCUBATION PROGRAM

From the bootcamp, 10 aspiring projects will be selected and supported to prototype their business idea in 2 months time.

### The PITCHING DAY

Entrepreneurs will be presenting their project to investors, partners, donors, experts to get feedbacks and grow.

### The 3 Zero House has 3 main functions:

CONNECT	UNLEASH	INNOVATE
Provide a collaborative hub to facilitate the connection with diverse actors both locally and globally, and fuel dialogue and actions towards the 3Zero vision.	Provide resources to unleash the development of human potential and the preservation of natural capital in order to drive the shift towards a 3Zero world.	Promote and support experimentation and building creative solutions by fostering synergies between different stakeholders.

**IF INTERESTED, PLEASE REGISTER**
