3 ZERO HOUSE LANKA  
PROJECT LOGBOOK  
Pre-incubation 2023

# 3 ZERO HOUSE LANKA Pre-incubation 2023 1st Promotion

## The Incubees

**Suresh MADUSHAN**

*Create a community based mobile app to track and inform about plastic waste disposal*

**Lalithri DAYARATHNE**

*Create cloth bag with compartments from recycled plastics bags and bottles*

**Suranga JANAKA**

*Create a lifelong pen by collecting used pens caps and reselling them to pen manufacturers*

**Samali SENEVIRATHNE and Sayuru KATAPEARACHCHI**

*Recycle fabric and plastic waste and empower women's traditional skills by creating original jewelries and outfits*

**Nusrath NAFAIS and Srirajeevan THIRAVIYACHCHELVAM**

*Offering an alternative to single plastic catering by creating clay and bamboo products*

**Mathiraj THURRUPATHAN**

*Convert organic waste into biogas and fertilizer*

**Sriram NAHENTHIRAM**

*Greening the cities by implementing small vegetables gardens by recycling organic and plastic waste*
